MEMORANDUM FOR PARENTS OF DODDS STUDENTS

FROM: 31 MSG/DPS

SUBJECT: Inclement Weather Plan

1. Inclement weather can affect the safe transportation of our children to and from the Department of Defense Dependent Schools here at Aviano. Inclement weather includes, but is not limited to, heavy rain, snow, black ice, and fog. In the event weather conditions create unsafe conditions, the decision to delay or cancel school will be made by the 31st Mission Support Commander.
2. The decision to delay or cancel school may be determined as late as 0530 on the school day. If school is delayed, the minimum time delay will be two hours. Inclement weather plans will be announced as early as possible via AFN radio and television. Repeat announcements will be aired every 10-15 minutes. Families who do not receive AFN radio or television should make arrangements with friends, co-workers, or neighbors to receive notification of delay or cancellation of school.
3. For students enrolled in the Aviano Youth Program (AYP) or Child Development Center (CDC), on days that school is delayed, students can be dropped off at the centers.
4. If you have any questions please contact the School Liaison Office at commercial 0434-30-5261 or DSN 632-5261.

Sincerely,

A handwritten signature in cursive script that reads "Paul Moore".
